8.3 Restrictions of Reserves and Reserve Funds-

8.3(1) Reserves and reserve funds of the former Corporations of the Townships of Denbigh, Abinger and Ashby and Kaladar, Anglesea and Effingham which are transferred on January 1, 1998 to The Corporation of the Township of Addington Highlands shall be maintained and used for the purposes for which they were designated on December 31, 1997.

8

8.3(2) Reserves and reserve funds of the former Corporations of the Townships of Camden East and Sheffield and the Village of Newburgh which are transferred on January 1, 1998 to The Corporation of the Township of Stone Mills shall be maintained and used for the purposes for which they were designated on December 31, 1997, and applied to the area of the former municipality which now constitutes part of the new Township.

8.3(3) Reserves and reserve funds of the former Corporations of the Townships of Adolphustown, North Fredericksburgh, South Fredericksburgh, Richmond and the Corporation of the Town of Napanee which are transferred on January 1, 1998 to The Corporation of the Town of Greater Napanee shall be used as follows:

- i) to establish a working fund which includes:
 - \$43,000 from The Corporation of the Township of Adolphustown;
 - \$189,000 from The Corporation of the Town of Napanee;
 - \$117,000 from The Corporation of the Township of North Fredericksburgh;
 - \$177,000 from The Corporation of the Township of South Fredericksburgh; and
 - \$131,000 from the Corporation of the Township of Richmond;
- ii) to cover the balance of any debt, which is paid through the general mill rate, of any former municipalities constituting part of the new Town; and
- iii) the balance shall be maintained and used for the purposes for which they were designated on December 31, 1997.

8.3(4) Reserves and reserve funds of the former Corporations of the Townships of Amherst Island and Ernestown and The Corporation of the Village of Bath which are transferred on January 1, 1998 to The Corporation of Loyalist Township shall be maintained and used for the purposes for which they were designated on December 31, 1997 and applied to the area of the former municipality which now constitutes part of the new Township.

8.4 Disposition of the Proceeds from the Sale of Assets Including the Sale of Commercial and Industrial Land Holdings

8.4(1)(a) Prior to December 31, 1997 the councils of the former municipalities which will constitute part of the new Corporation of the Town of Greater Napanee shall ensure that all lands listed

in Schedule "1" are appraised by two certified appraisers, whose businesses are located outside of the boundaries of the new Town, in order to determine the market value of the lands as of December 31, 1997.

8.4(1)(b) The average of the two appraisals referred to in paragraph (a) of subsection 8.4(1) shall be considered the market value of the land.

8.4(1)(c) At the time of the sale of the land by the new Town the proceeds shall be allocated as follows:

- i) to the cost, if any, incurred by the new Town to improve and appraise the lands prior to the sale;
- ii) the balance of the proceeds, up to the amount of the market value appraisal referred to in paragraph (b) of subsection 8.4(1), to be paid into a capital reserve to be used for capital projects within the area of the former municipality in which the property is located; and
- iii) the balance, if any, to general revenues of the new Town.

8.4(2)(a) On or after January 1, 1998, the cumulative proceeds up to \$1,000,000 resulting from the sale of assets of the former municipalities constituting the new Corporation of Loyalist Township shall be designated for use in the area of the former municipality from which the assets originate; and

8.4(2)(b) On or after January 1, 1998, the cumulative proceeds in excess of \$1,000,000 resulting from the sale of the assets of the former municipalities constituting part of the new Township shall form part of the general revenues of the new Township.

8.5 Tax Phase-In-

8.5(1)(a) The Corporation of the Township of Addington Highlands - The Corporation of the Township of Addington Highlands shall implement any municipal tax increase occurring solely as a result of this Order and the amalgamation of the former municipalities constituting the new Township on the municipal portion of the real property tax bill in 1998.

8.5(2)(a) The Corporation of the Township of Stone Mills- The Corporation of the Township of Stone Mills shall limit any municipal tax increase occurring solely as a result of this Order and the amalgamation of the former municipalities constituting the new Township to three percent of the municipal portion of the

force until amended or repealed under the Planning Act by the new municipality.

9.1(3) A by-law or resolution of the former municipalities or their local boards, which could not have been lawfully repealed by that council or its local board shall remain in force as a by-law or resolution of the new municipality or its local boards for the area of the former municipality to which it applies.

10.0 Roads and Bridges Service Transfer-

10.1(1) The County will maintain ownership and control of the county road system listed in Schedule "2" but the responsibility for maintenance, repair and construction of the county road system is, on January 1, 1998, transferred to the new municipality in which the road is located.

10.1(2) The County shall in each year establish a budget of not less than \$1,500,000 for the purposes of construction of the county road system, which amount shall be adjusted annually in accordance with the Canada wide Consumer Price Index.

10.1(3) In order to determine the amount of the budget in each year for the purposes of subsection 10.1(2) a ten year county road construction program will be developed by the County in consultation with the new municipalities. On the basis of the program, county council shall determine in each year the budget and the schedule of construction for the county road system.

10.1(4) Based on the calculations set out in subsections 10.1(2) and (3) the County shall pay to the new municipalities the amount in each year necessary to construct the county road system in accordance with the county road construction program.

10.1(5) For the years 1998 and 1999 the \$484,000 provincial grant to the County for highway transfers shall be apportioned between The Corporation of the Town of Greater Napanee and The Corporation of Loyalist Township for the completion of designated construction projects.

10.1(6) The County shall pay to The Corporation of the Township of Stone Mills, The Corporation of the Town of Greater Napanee and The Corporation of Loyalist Township \$3,500 per kilometre of county road located in each municipality for each of the years 1998, 1999 and 2000, for the repair and maintenance of the county road system;

10.1(7) Before the end of the term of office of County council in the year 2000, the amount referred to in subsection 10.1(6) shall be reviewed by County council, in consultation with the new municipalities and a new rate may be established to take effect

after the year 2000.

10.1(8) The new municipalities shall repair and maintain the roads listed in Schedule "2" at a standard no less than Level 3 in the County Road Classification System.

10.1(9)(a) In the event of a dispute arising out of the interpretation of subsection 10.1(8) of this Order, county council may retain a third party to provide an assessment of and report on the standard of repair, maintenance or construction of the county road or bridge and the cost of bringing the road or bridge up to the standard set in subsection 10.1(8).

10.1(9)(b) Where the dispute pertains to repair and maintenance, county council may deduct the cost of bringing the county road or bridge up to the standard set in subsection 10.1(8) from the amount paid to that new municipality under subsections 10.1(6) or (7).

10.1(10) County council shall, commencing in 2003, and every five years thereafter, retain a third party to review, evaluate and advise council on the county road classifications and changes to the classification of county roads.

10.1(11) On or after January 8, 1997, county council shall establish a technical advisory committee to advise council on the appropriate distribution of road equipment and property among the new Corporations of the Township of Stone Mills, the Town of Greater Napanee and Loyalist Township.

10.2 Winter Road Maintenance- The Corporation of Loyalist Township shall ensure that sufficient funds are provided for in its winter roads maintenance program to maintain the roads on Amherst Island at a standard no less than the 1996 winter control standards and to allow for a grader and a backhoe to be stationed on the Island for winter control, emergency and other requirements.
